Submission of names and phone numbers of adjacent neighbors whose approval was obtained prior to submitting this request is required for color changes and projects visible from the street.

Storage Buildings/Sheds: Covenants require storage buildings to follow the general existing architecture of your home to include the slope of the roof, siding, and roof type and color. Sheds and similar structures must be a minimum of 3 ft. from your property line and cannot direct or drain water onto adjacent property.

If you have questions contact the ACC Chair at ACC@bushprairie.com. Submit completed form and layout drawings with the location of project in relation to existing house and fences to ACC@bushprairie.com.
